MEMORANDUM FOR DIRECTOR, CENTRAL INTELLIGENCE AGENCY

ATTN: [REDACTED]

SUBJECT: (SECRET) Minor Augmentation of TALENT Tables of Distribution

1. The ACS/Intelligence, Headquarters USAF has approved a series of small and unrelated augmentations of TALENT clearances for various USAF agencies. These augmentations total thirty-two (32) positions, as follows:

a. Four (4) new positions for the Director of Collection and Requirements, AFCIN to establish a 24-hour, all-source, world-wide collection capability and to effect liaison with the USAF Command Post and National Indications Center.

b. Two (2) additional cryptographic positions for the Air Force Special Security Office, Headquarters USAF to provide for continuing 24-hour operations.

c. Ten (10) new positions for the reorganized and augmented Foreign Air Facilities Branch of the Directorate of Targets, so that TALENT materials may be exploited effectively and applied to that speciality.

d. Eleven (11) new spaces for the Director of Estimates, AFCIN for the purpose of expanding current intelligence and indications intelligence into an augmented 24-hour, 7-day-a-week operation.

e. Three (3) additional cryptographic technicians for the Commander of the Air Technical Intelligence Center to provide for improved 24-hour communications service.

f. Two (2) positions for the Third Air Force to provide the Commander (Major General) and his Deputy Chief of Staff, Intelligence clearances needed to effect essential liaison and coordination between USAF elements in the UK and Headquarters USAF.
